ALLOCATION

60% Equity / 40% Fixed Income; exposure to large, mid, and small-cap US, international developed, and emerging markets equities and large-cap US investment-grade corporate bonds

The Inspire Select Moderate Strategy is built as a long-term, strategic allocation model designed to provide broad exposure across a fully diversified global equity universe while maintaining 40% exposure to large-cap US investment-grade corporate bonds. The equity portion of this strategy is primarily composed of individual stocks and includes U.S. large-, mid-, and small-cap equities, as well as international developed and emerging markets equities. Target allocations are established based on long-term macroeconomic market assumptions developed by Inspire's Investment Committee. The portfolio is systematically rebalanced at the start of each calendar quarter to maintain alignment with these strategic targets.

- Inspire Corporate Bond ETF (IBD) — 40%
- Emerging Markets Sleeve — 6%
- International Sleeve — 21%
- US Small Cap Sleeve — 7.5%
- US Mid Cap Sleeve — 7.5%
- US Large Cap Sleeve — 18%

- Fixed Income — 40%
- Equity — 60%
